Bayard Taylor Esq  
Dr Sir,

I would feel greatly indebted to you if you could spare time to look over the lines enclosed and let me know whether they will be accepted for "The Union" - if so, what you can afford to pay for them, and when they can appear.

Truly Yours,  
Edgar A. Poe.

J. Bayard Taylor Esq

P.S. I feel that I have been guilty of discourtesy in not sooner thanking you for your picturesque and vigorous "Views A-Foot" - but when they reached me, and long afterwards, I was too ill to write - and latterly I have been every day hoping to have an opportunity of making your acquaintance and thanking you in person.

HRC
